This application is filed to allow drilling to commence while the permanent application, filed simultaneously, is being processed. The well under Permit 66717 was not successful and a new location approximately 1,500 feet away has been selected. A driller (Humboldt Drilling) has committed to drilling the well, beginning in early May (see attached letter). The goal is to have the well available for irrigation later this year.

16. Miscellaneous remarks:

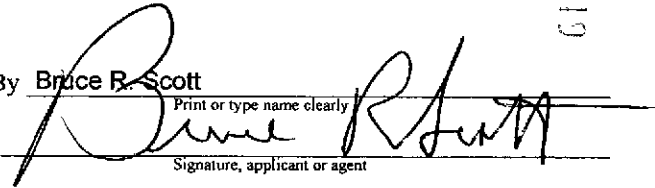

The proposed and existing points of diversion and the place of use are shown on the supporting map being filed with this Application.
